Busy start to 2008

The first quarter of 2008 is proving busier than 2007 - our clients report expansion plans over this year and next, with experienced recruitment consultants as in demand as ever.

We are still offering our popular Loyalty Bonus and Referral Reward Scheme. Perhaps our current vacancies aren't right for you but you know someone who may be interested? [Click here and see what we can offer](#), or read our [testimonials](#).

Current Vacancies

[Click here to bookmark](#) our current vacancies page.

We have vacancies across the UK at all levels of recruitment. Our clients range from small one branch boutique agencies right through to large multi-branch companies.

Salary packages for experienced recruitment consultants are always negotiable so please treat salaries indicated as a starting point and apply anyway! Salary bandings for Trainee roles are rarely negotiable. Salaries and OTE figures are given to us by clients who have indicated these are realistic figures.

We work with recruitment companies who are market leaders so support and value their staff, and all our advertised vacancies are for current openings with our clients.
